

Social Media Policy

Thank you for being a fan of Michigan League of Conservation Voters social media channels. We participate in social media in order to communicate with individuals and organizations who have an interest in protecting Michigan's land, air, and water. Michigan LCV provides content on social media to encourage citizen action, discussion, and connection.

Posted comments and images do not necessarily represent the views of Michigan LCV. External, non-Michigan LCV links do not constitute official endorsement on behalf of the Michigan LCV.

While we encourage you to share your thoughts and opinions on Michigan LCV's social media pages, we expect that this will be done in a respectful manner.

Michigan LCV does not agree with or endorse every comment that individuals post on our pages. Our goal is to share ideas and information with as many individuals as possible, and our policy is to accept the majority of comments made to our social media pages.

A comment will be deleted if it contains:

- Hate speech,
- Pornography,
- Defamation to a person or people,
- Name calling and/or personal attacks,
- Comments whose main purpose are to sell a product,
- Comments that infringe on copyrights,
- Spam comments, such as the same comment posted repeatedly on a profile,
- Other comments that the Michigan LCV deems inappropriate.

All links posted as comments on Michigan LCV posts will be reviewed and may be deleted. Repeated violations of the Michigan LCV comment policy may cause the author to be blocked from Michigan LCV's social media profiles.

We understand that social media is a 24/7 medium; however, our moderation capabilities are not. We may not see every inappropriate comment right away, and we are trusting in the maturity of our community to ignore personal attacks and negative speech or respond politely.

Please contact info@michiganlcv.org if you have any questions.
