

# 2019-2020 LEGISLATIVE SCORECARD SUMMARY

## WHAT MADE THIS POSSIBLE? YOU!

In 2019 and 2020, you used your voice to tell your legislators to move forward with clean energy, demand clean drinking water in our communities and conserve our state's incredible natural resources.

Together, we are making a difference.

An important part of our work is holding our elected officials accountable. This scorecard tells you whether your representatives in Lansing listened to you and your neighbors, or if they listened to special interests.

### 1 TELL YOUR LEGISLATORS YOU KNOW THE SCORE

It only takes a minute to say thanks-- or to say no thanks-- to your legislators.

### 2 DONATE

Because we could not accomplish our mission without the generous support of our members, please make a donation so we can continue fighting for clean air and clean water in your community and continue our stewardship of Michigan's unparalleled natural resources.

### 3 SPREAD THE WORD

Finally, share this scorecard with your friends and family so they know the score of their elected officials, too.

**YOU CAN DO ALL OF THIS AT  
[MICHIGANLCV.ORG/SCORECARD](http://MICHIGANLCV.ORG/SCORECARD)**

## TOWARD A CONSERVATION MAJORITY

Because Michigan LCV is both political and non-partisan, our goal is to build a pro-conservation majority of state lawmakers from both parties who support protecting the health of our communities by tackling the big issues facing Michigan's land, air, and water.

### HOUSE

#### Conservation Majority Breakdown

### SENATE

#### Conservation Majority Breakdown

Total number of legislators in the Michigan House exceeds number of House districts due to an early resignation and the passing of one Representative during the term.

# 2019-2020 LEGISLATIVE SCORECARD SUMMARY
