

Northern Michigan Regional Organizer

The Michigan League of Conservation Voters (LCV) — one of Michigan's largest, most impactful political advocacy organizations tackling drinking water contamination, the rapidly-worsening impacts of climate change, and efforts to undermine our access to the ballot — is seeking a dynamic, permanent full-time Northern Michigan Regional Organizer to help anchor our organizing work to run aggressive, focused campaigns that elect champions and hold elected officials accountable while in office.

This work is centered around the organization's statewide *#OurWaterOurVote* brand, and the Northern Michigan Regional Organizer will work as a member of our Advocacy & Outreach team. They will engage voters and community partners to grow our volunteer base and build collective strength in Grand Traverse County. Together, *#OurWaterOurVote* campaigns pressure our elected leaders to act on pivotal issues facing Northern Michigan families — like toxic PFAS water contamination, aging infrastructure that pollutes our rivers and lakes, and the dramatic impacts of climate change. We then focus on that work at the local, state, and federal levels to have the fullest impact.

The ideal candidate has a tenacious, self-starter attitude with experience in either political candidate campaigns, issue-based 501(c)(4) community organizing, or union worker organizing. They are an organizer at-heart, or have relevant experience that would set them up for success when communicating with volunteers in person, on the phones, or in virtual meetings. The ideal candidate is detail-oriented and able to build genuine relationships with diverse constituencies. They are passionate about politics and want to be immersed in the high-speed world of it.
