

Democracy For All: Elections Systems Organizer

The Michigan League of Conservation Voters (LCV) – one of Michigan’s largest, most impactful political advocacy organizations tackling drinking water contamination, the rapidly-worsening impacts of climate change, and efforts to undermine our access to the ballot – is seeking a full-time Elections Systems Organizer to build community power, especially through election official engagement and support of voting rights and election protection in Michigan. The Elections Systems Organizer will work alongside our Democracy For All team to support community engagement with local election officials as well as wider civic engagement initiatives.

The ideal candidate will be able to work independently, take initiative, and be resourceful to move our priorities forward. This position, alongside a team of tenacious colleagues, will build and amplify the voices of communities of color and other key constituencies who are disproportionately impacted by historical barriers to the ballot and environmental issues.

About the Michigan League of Conservation Voters

The Michigan League of Conservation Voters is a statewide political organization whose mission is to elect pro-conservation candidates to office and to hold all decision makers accountable for protecting Michigan’s drinking water, attacking climate change, and expanding access to the ballot. We work closely with elected officials, business leaders, partner organizations, and advocates from across the state, and we have built a reputation as the leading, non-partisan political voice for Michigan’s land, air, and water.

Michigan LCV is an equal opportunity employer. We assure equal treatment in hiring selection, promotion, transfer, compensation, benefits, training, discipline, and other personnel practices and terms or conditions of employment without regard to race, color, religion, sex, age, national origin, height, weight, marital status, genetic testing status, veteran status, disability, sexual orientation, gender status, or any other protected class established by all applicable federal, state and local laws and ordinances.

Job Responsibilities

- Training election systems volunteers and partners to advocate for fair election systems and accessible election administrators.
- Keeping a steady pulse on local democracy issues, especially with local clerks, sharing that knowledge with staff and key partners, and using those issues and opportunities to engage voters in our work.

- Work with the Voting Rights Organizer and Manager to support voter engagement and outreach.
- Participating in all Michigan LCV political election work – doing the hard work of campaigning, which means volunteering yourself to do door-to-door field canvassing, text and phone banking, and attend campaign events.
