

Voting Rights Coordinator

The Michigan League of Conservation Voters (LCV) – one of Michigan’s largest, most impactful political advocacy organizations tackling drinking water contamination, the rapidly-worsening impacts of climate change, and efforts to undermine our access to the ballot – is seeking a dynamic full-time Voting Rights Coordinator to lead voter education and election protection work within our organization’s exciting and fast-paced Democracy For All team. This position also supervises our voter turnout work and leads partner engagement, youth programming, and voting rights communications. The Voting Rights Coordinator additionally manages day-to-day activities necessary to successfully accomplish program-wide goals.

The ideal candidate will be an experienced community organizer. This position offers the opportunity to cultivate and maintain community relationships and manage a small team of organizers and/or interns. This position, alongside a team of tenacious colleagues, will advocate for strong environmental and voting rights protections, and build and amplify the voices of communities of color and other key constituencies who are disproportionately impacted by environmental issues and voter suppression.
